VOLUME TWENTY-FOUR, NO. 15 — UPLAND, SAN BERNARDINO COUNTY, CALIFORNIA, THURSDAY, AUGUST 22, 1918 — $2.00 PER YEAR

E.W.THAYER RESIGNS AS MANAGER OF THE UPLAND CITRUS ASSOCIATION SEP.1ST

Effective September 1st, E. W. Thayer will no longer be manager of the Upland Citrus association, and with the change in management the Upland Citrus loses one of the best informed citrus men of Southern California. For some eighteen years Mr Thayer has been connected with the Upland Citrus, gradually working his way up through the branches of the work to manager. His resignation was filed with the board some time since and the board given until September 1st to select another manager.

Following Mr. Thayer's resignation the board of directors adopted the following resolutions unanimously and it shows the high esteem and friendly feeling between Mr. Thayer and the board:

"Resolved, that following the formal presentation and acceptance of the resignation of Mr. E. W. Thayer as secretary, treasurer and manager of our association, it appears evident that a few remarks touching on this very regretable occurrence are necessary; therefore, be it

"Resolved, that it is the sense of this meeting that the loss of so valuable an official cannot be fully expressed in words, and the magnitude of this loss is greatly enlarged when we take into consideration his continuous service of eighteen years, during which time he was engaged in various capacities from a humble beginning to the high position he attained, and under his able guidance thousands of carloads of fruit were successfully shipped and millions of dollars safely returned to our members. Mr. Thayer has demonstrated conclusively during this long service, his sterling character, executive ability, high degree of veracity, untiring eagerness to serve to the utmost, and always in a most conscientious and self-sacrificing manner, and in conclusion we wish to extend our most sincere wishes for his future happiness."

P. H. Norton, for several years manager of the Redlands Co-operative association, has been named to fill Mr. Thayer's position as manager, and the board of directors of the Upland Citrus feel that they have a very capable man in Mr. Norton, as his experience covers the fields of Claremont, Charter Oak, San Dimas, and Redlands.

Mr. and Mrs. Norton and family will arrive in a few days and make their home here permanently.

RED CROSS BENEFIT HERE SEPT. 6

A number of Upland's talented young people, under the direction of Mrs. Fred McMullen, have been working on the farce "Tommy's Wife," to be presented at Upland grammar school, on September 6th. The cast includes the Misses Marjorie Reynolds, Janet Stone, Beatrice Smith, Mrs. Kirk Vernon, Mrs. J. Lynward Grahame, and the Messrs. Frederick Trunkfield and Glenn Atwood. That line-up assures us of an evening of pleasure. The complete program will be published in next week's News.

NAVY DEPARTMENT TELLS OF FIGHTING NEAR CLOUDS

Ensign Stephen Potter, United States Naval Reserve Force, killed in action with German planes April 25 last, was the first American to shoot down and destroy a German seaplane, according to a Navy Department statement.

The report states that on March 19, 1918, a long-distance reconnaissance of the German coast was made by large American flying boats operating from a British Royal Air Force station. Ensign Potter was one of two American naval aviators accompanying this expedition, and Potter was successful in shooting down a German seaplane which attacked the connaissance formation. A second enemy seaplane found safety in running away.

JUDGE HILTON TO SPEAK AT CHAFFEY

Tomorrow night, Friday, August 23, there will be a joint mass meeting of the people of Upland and Ontario at Chaffey Union high school. Judge O. N. Hilton will be the main speaker of the evening, while a musical program under the direction of S. Earle Blakeslee will also be given.

The joint meeting is under auspices of the chambers of commerce of the Twin Cities and is held as an opportunity for the people to hear of the work of the Salvation Army war work and the meeting will be of unusual interest to each and every citizen of the two communities.

There will be no money or pledges solicited at the meeting, it being purely a meeting to learn about the excellent work of the Salvation Army.

A quartet composed of Miss Verna Jacques, Miss Janette Stone, Frederick Trunkfield, and Bruce Moore will sing and Miss Jacques will sing a solo.

UPLAND IS OFFICIAL BUSINESS CENTER

Upland is once again to become official headquarters for an important fruit organization through a business deal just closed.

This week marks the consummation of a deal by which T. H. Peppers, the largest individual shipper of fruits and vegetables in the United States, together with J. D. Masten of this city, purchase the holdings of the Growers Fruit company in the towns of Upland, Cucamonga, Corona and Olive. The holdings consist of large equipped packing houses and a lareg amount of business in each city.

Immediately the new firm will install modern machinery in their packing institutions as Mr. Peppers has made his reputation among fruit buyers by the excellent pack he puts up, and Mr. Masten will have charge of the citrus end of the business here, and doubtless the firm will also handle grapes as well, for Mr. Peppers operates extensively in the Fresno district in both grapes and peaches.

The new firm will operate on the cash f. o. b. California plan and is now ready for business.

PRIMARY ELECTION TUESDAY, AUG. 27TH

Tuesday is election day and from the activity about the county at the present time, Tuesday will be about the busiest day of many years here.

Indications are that C. E. Grier will be elected supervisor with a big majority, but his friends are working hard and will continue the good work until the polls close Tuesday night.

Election returns will be given at The News office as usual. It is not necessary for you to come down town to get the desired information, as a call over the phone will get the desired result. The News force will give out returns just as fast as they are received and by 10 o'clock some idea of the county results will probably be in hand. State results will probably be in hand by midnight.

W.C.T.U. SPEAKERS HERE THIS EVENING

In the interest of dry candidates the dry forces of the west end of San Bernardino county will hold a street meeting here Thursday evening, 7:30 to 8. Mrs. Wilhoite, county president of the W. C. T. U., will be the speaker and Mrs. Irvine, candidate for congress, will probably be present and give a short talk.

Other local speakers will talk of the candidacy of Governor Stephens and C. C. Young, candidate for lieutenant governor.

A troop train went through Upland this morning and caused some excitement for a moment.

MARGUERITE CLARK IN A DOUBLE ROLE

For Upland's popular Joy Night the Colonial theatre will present Marguerite Clark in the double role of Little Eva and Topsy in that famous play, "Uncle Tom's Cabin," made more realistic on the screen than if ever could possibly be made on the stage. Marguerite Clark has played a double role in one or two other plays, but in this one she surprises even her greatest admirers.

On Saturday night the sensational and soul-stirring Ince spectacle, "The Zeppelin's Last Raid," is to be seen at the Colonial and the play portrays most vividly the triumph of Democracy over Kaiserism. Another feature of the program Saturday night will be Charlie Chaplin who will once more be greeted by his many friends when he appears in his famous play, "The Fireman."

The special attraction for next Tuesday night will be Douglas Fairbanks in "Say! Young Fellow," in which Fairbanks plays the part of a reporter with a nose for news and he strikes a scent which leads up to all the thrills and laughs that make a regular Fairbanks picture.

Ben Myers of the Colonial states that he has a play coming which surpasses them all. "Over the Top" is the name of it, and Sergeant Guy Empey plays the leading role. This play is booked for Saturday night, August 31st.

UPLAND LAD GIVEN LICENSE AS PILOT

Sergeant LeRoy B. Gregg, son of Mr. and Mrs. George Gregg, has just been granted a license as capable of handling a plane both in straight and stunt flying, according to word just received here by Mr. and Mrs. Gregg from Major C. N. Russell of the field at Waco, Texas.

People of Upland will take considerable pride in this announcement, for in order to get this promotion many hours in the air are necessary, and Sergeant Gregg has a flying experience of 147 hours and 20 minutes.

Although no announcement has been made, it is probable that Sergeant Gregg will soon be in France.

PLANS UNDER WAY FOR OPENING CHAFFEY UNION HIGH SEPTEMBER 18TH

Registration days at Chaffey Union high school this year will be Friday, Saturday, Monday, and Tuesday, September 13 to 17 inclusive. Junior College students are asked to register on September 13, and high school freshmen on September 16. Students in all the other classes may register on Saturday, September 14, or Tuesday, September 17. The regular work of the year will begin on Wednesday, September 18; all classes will meet on this day. All students are urged to register before the first day of school.

The principal of the high school will have office hours regularly from September 4 to 11 from 1:30 to 4:30 daily. Students or parents wishing to consult him, may do so during these hours, or during other hours by appointment. Students who will be away during the days of registration may register with the principal by appointment.

Military training will be required of all able-bodied boys who are fourteen years of age or older. The boys will be expected to have regulation cotton khaki uniforms, complete. These uniforms can be secured at any of the local firms, no one firm being given the preference. The boys should plan to wear their uniforms regularly. The government does not want cadets in woolen uniforms, consequently boys will not be permitted at school in woolen uniforms this year. We regret that Major Hamilton will be unable to serve as commandant this year; his fine service last year was greatly appreciated. Mr. Charles Perrin will be Chaffey's commandant. He spent a large part of the summer at the Presidio School for Commandants, and he received fine recognition of his efficiency while there.

Announcement regarding courses of study for next year will be made soon.

America's stock of wheat is the lowest it has been since wheat was grown in this country. At the same moment Australia has 100 million bushels of surplus, with another 80,000,000 bushel increase from the new crop.

HARRY L. ALLISON, CANDIDATE FOR COUNTY CLERK

Here's a likeness of the man who has a reputation of extending the same courtesy to voters, taxpayers, and citizens generally regardless of whether it's just before election or just following it. Mr. Allison is known throughout this county as a most efficient officer and he will receive one of the biggest votes of any candidate before the people on Tuesday next.

FOOD ADMINISTRATION SUGGESTIONS

The new plan of issuing sugar slips for canning purposes is working out very satisfactorily and grocerymen find it far more satisfactory, while the majority of the consumers express approval of the plan, as with a complete daily record sugar distribution is bound to be more evenly distributed among the householders of the city.

As a matter of convenience sugar certificates are issued from one central place, the Upland News office.

Those connected with the food administration here find that taken as a whole, the people of this city are loyal and following the instructions to the letter.

There are a few housewives who have not yet been aroused to the great need for saving sugar. They evidently do not understand that canning sugar is allowed them for conservation only that the fruit crop may be saved. These few women, we are told, use canning sugar for their present household needs. They doubtless would be insulted if accused of pro-Germanism, but nevertheless they are helping the German cause. The people of this community feel that these same women are to be pitied. They are in a very great minority and are really only hurting themselves.

Keep your canning sugar separate.

SO. CALIFORNIA HAS FINE TROLLEY LINES

Mr. and Mrs. P. W. Tonneson returned on Tuesday from a month's visit in the Northwest, having visited friends and relatives in Oakland, Portland, Tacoma, Seattle, and Spokane.

Mr. Tonneson reports that all industries are flourishing all through the Northwest, especially ship building. Every man with two hands capable of doing anything is working in ship building, and wages paid by all industries are high, all being gauged by the ship building scale. Living and rentals are also high in proportion. In fact rentals have risen to such an extent that in Seattle some of the renters have formed an association the "Anti-Landlord Hog Association," inorder to check the monthly advance in rentals so often asked.

"Naturally I was also interested in street car operations," said Mr. Tonneson. "Six-cent fare prevails in all the cities except Tacoma where the fare is seven cents. The service of the railway companies in most of these places is inferior to that of ours. A ride over the interurban between Tacoma and Seattle reminds one of riding ove ra country road in a Ford at a 40-mile gait. Most of the cars in Tacoma are operated by one man.

"In Tacoma all the elevators in the large buildings are operated by women, which is true to a large extent in the other large cities. Women are also employed in other activities and industries formerly held by men."

UPLAND LADIES VISIT MARCH FIELD

Part of the committee of women appointed by the chamber of commerce to plan the furnishing of one of the rooms at the new Y. M. C. A. building at March Field, near Riverside, visited that place Wednesday. The room selected is one to be used as a place for the men to entertain their women folks when they come visiting. March Field has no hostess house, as so many of the camps have, therefore the need is great for just such a room. The suggestion of the Upland people furnishing such a room came from Rev. R. C. Stone, who showed the committee around. Another suggestion brought home from Mr. Stone was the need of Victrola records for the Y. M. C. A. If you have one good record to spare, and will leave it at the library, it will be gotten to March Field some way.

CANDIDATES NUMEROUS

This week Upland has seen probably every candidate for office in San Bernardino county, and tonight at the band concert there will be another good represenation of the ones who want to serve.

D.E.DOBBINS, V.PRES. OF RIVERSIDE BANK

This week marks a change in the official family at the First National Bank, and although announcement is not yet made as to the detailed changes necessary, it is understood that D. E. Dobbins has resigned as cashier of the bank and commencing September 1st will be vice-president of the National Bank of Riverside. Although the many friends of Mr. Dobbins and his estimable family regret their leaving here, yet they realize the change is a fine advancement for Mr. Dobbins, and are extending him their best wishes in the new field. The National Bank of Riverside has a capitalization and surplus of $130,000 while the deposits exceed $1,000,000.

Owing to the absence of Chas. V. Barr, president of the First National, complete announcement of the official family at the bank following September 1st will not be made until the next issue of the News.

AUTO THIEVES KEEP CLOSE TAB ON PURCHASERS

That automobile thieves keep close watch on agencies and follow the purchasers of new cars is the latest revelation made by Detective John Powell, head of the theft bureau of the Automobile Club of Southern California, and fearless enemy of the "Gas Raffles." Powell urges owners of new cars to make a complete list of all art and body numbers and other marks of identification before leaving the sales room floor with their purchase.

In a recent case reported to the authorities, a woman purchased a medium-priced car and drove from the agency to the office of an insurance company. Emerging in about five minutes with the insurance inspector to take the identification numbers necessary to filling out a policy, the luckless lady found that her car had disappeared. She knew nothing of it except the name of the make and the law can do but little for her.

The Automobile Club of Southern California has prepared a special identification record blank that will be furnished free to all motorists at club headquarters. In addition to the stock identification numbers owners of cars are urged to secure a set of number dies and stamp some distinctive pattern on several obscure spots of the chassis as an extra precaution.

Detective Powell of the auto club has suggested to the leading machine and part manufacturers that the practice of placing number on detachable metal plates be discontinued and that the markings be made in solid steel or iron with the use of dies. The modern auto thief has a complete supply of such number plates and can disguise a car in a very few minutes.

Solano county farm bureau has adopted a wage scale; hay men $2.50 per ten hour day; separator men, $6.00; tractor drivers, $5.50; sack sewers, $4.50; sack tenders, header tenders, $3.00; header drivers, $3.50; header wagon drivers, $3.00; header wagon loaders, $3.50; harvester drivers, $5.00. Prices include board. Fruit farm helpers: $3.00 per ten hour day; laborers board themselves.

RED CROSS DON'TS AS OUTLINED BY THE PACIFIC DIVISION GAUZE ARRIVES

A consignment of gauze has arrived and Mrs. Price announces that regular work in the surgical dressings department will recommence on Monday. The regular Monday and Thursday morning committee will meet for work and there will be work on Tuesday evening.

Red Cross Don'ts

1. Don't solocit funds or membership dues for the Red Cross unless you are officially authorized, and in possession of proper credentials.

2 Don't wear the Red Cross brassard (the white arm band with the Red Cross thereon) under any circumstances. No civilian is authorized to wear it unless in actual military service "over there." Not even Red Cross nurses are permitted to wear it in this country at the present time, even when on duty at cantonments.

3. Don't wear a Red Cross uniform unless you have a permit card authorizing you to wear it.

4. Don't wear the Red Cross uniform outside of the workroom, unless permission is granted by the supervisor of the workroom.

5. Don't wear the Red Cross uniform at a dance, entertainment or any other function. It detracts from the significance of the uniform and, besides, is not good taste.

6. Don't manufacture or have manufactured any Red Cross insignia in the form of a button or pin or jewelry of any kind.

7. Don't send anything to military or naval camps or appropriate funds for these camps, no matter what military or naval officer requests you to do, without first consulting the Bureau of Military Relief, American Red Cross, Pacific Division.

8. Don't go into the war chest. The Red Cross does not approve the plan. Experience thus far indicates its faults. We know of no arguments in its favor which are not offset by sound objections.

9. Don't countenance raffles for the benefit of the Red Cross.

10. Don't forget that a well organized, business-like Red Cross chapter in every particular is imperative.

Chapter War Fund Cashier

From time to time since the close of the second Red Cross War Fund campaign, pledgors to the fund have been sending their contributions in payment of pledges to Mr. W. G. McAdoo's office, National Headquarters at Washington, and the division office. In order that these contributions are credited to the proper chapter, a great deal of detail is involved at National Headquarters.

We are going to ask that each chapter make public announcement in the daily papers of the fact that pledge payments are to be made locally, not to Mr. McAdoo's office, National Headquarters, nor the division office.

We shall very much appreciate your earnest cooperation in respect to the above.

Yours very truly,
W. W. MARTIN.
Divsion Accountant.

JOS. PODRASNIK TO JOIN U. S. ARMY

Jos. M. Podrasnik, vice-president of the Page Steel and Wire Co., of Chicago, is to join the American army as a private, according to word received here this week by his parents, Mr. and Mrs. Alois Podrasnik.

Although he was unable to pass the physical examination without a minor operation and spending two or three weeks in a hospital, Mr. Podrasnik decided to do that, and as soon as able will join the army.

An organization has been formed in St. Louis which has for its aim the inspection of every farm where boys are to be sent to labor through the summer. It recommends as a step in guarding the health of the 250,000 boys who work on the farms this summer a national "clean up and paint up" campaign.

Salute to the Flag

"I pledge allegiance to the American Flag;
And the Republic for which it stands;
One Nation, indivisible,
With Liberty and Justice for all."

ON Tuesday next the voters of San Bernardino county have important issues to decide, for on that day will be held the county primary, which in many cases nominates candidates for the general election in November and in many other cases elects one or the other candidates. In the case of supervisors to represent this, the second district, on the board of supervisors, the issue will be decided at the primary, and it is of paramount importance that the voters turn out to vote. Upland's former mayor, C. E. Grier, is a candidate for supervisor from this district, and as the issue will be decided next Tuesday, Upland voters should make it a point to cast their vote on that day.

Among other planks in Mr. Grier's platform is one of more than ordinary importance at this time, and that is "a dollar's worth for every dollar of tax money expended." Especially is this important at this time, for efficiency is going to win this war, and in order to win this war we must have efficiency in all public offices. The voters of Upland can well remember when the financial condition, as well as general conditions as to streets, sidewalks, etc., were anything but satisfactory here, and in looking about you today you find those conditions changed, while the city's financial condition was never better. This result was quite largely brought about through Mr. Grier as a member of the cuoncil as well as mayor of the city. There may be voters here who have a grudge against Mr. Grier because something or other about the city business was not done exactly to their liking and therefore have decided to vote against Mr. Grier as a manner of getting even.

The News desires at this time to point out to those few that the man who serves the public cannot please every one, but in Mr. Grier's case his work for the city, taken as a whole, has accomplished much toward putting this town in the front ranks of municipalities of its size. This pioneer work of getting the foundation laid here for greater things has proven expensive, but this foundation work was absolutely necessary in order that the upkeep from year to year in the years to come might be kept down to a small figure and thus reduce your taxes. Upland has its foundation work completed and from now on upkeep and maintenance of investments made by the people is the work of the city council.

You may not at the present time, Mr. Property Owner, see the business sense of the way Upland's city business has been conducted, but as time goes on you are bound to.

Upland in her history never has had an opportunity to elect a supervisor, but next Tuesday is the date of our opportunity and the man we are going to place there is a man of business experience and of such ability that we shall be proud of the fact that he comes from Upland. What Mr. Grier did for the city of Upland he can do for San Bernardino county and on Tuesday next the issue is squarely up to you, Mr. and Mrs. Voter.

A READER of the New York Tribune has written the editor of that paper a letter in which he says that while on a visit to the city of Washington, and about to return to New York, he mailed a letter to his home, bearing airplane postage. Two hours and forty minutes after mailing the letter he took the train for New York, reaching there late in the evening and was at home when the airplane letter arrived the next morning. Now that the postoffice department is about to take over the telegraph lines, perhaps he can send a telegram to himself 300 miles away and go by train in time to receive it at the other end.

Whether it was with the service itself in mind or the lack of need for it, apropos of the matter the Christian Science Monitor sententiously observes: "The postoffice department at Washington is interested in discovering the most suitable elevation for the conveyance of mails by airplane. Most of the American papers which have considered the matter at all have recommended that, in view of the costliness of this method of carrying mails, and the inexpediency of utilizing good airmen for peace purposes whilst the nation is turning its attention to the successful prosecution of the war above the western front, the best altitude for the mails is on the ground."—San Bernardino Sun.

Our Boys Working With Uncle Sam

Edited by O. E. ATWOOD, of the J. J. Atwood Co.

Sketches out of Corp. F. Bradford Manker's recent letters:

June 30—Our Y. M. C. A. hut was just finished last night and we had a formal opening which consisted of a vaudeville entertainment by real honest to goodness American girls. I am writing this letter in it now. I spent last night and this morning washing clothes; ver I say the army makes a change in one's ideas.

July 6—Yesterday was my birthday which I passed without accident, receiving seven letters, which were as good as any presents could be. Mr. Ftzgerald sent pictures of Upland and vicinity, also one of the men folks. The high school sure looks beautiful and the old town inviting. I think I shall have to take a flying trip out there just as soon as I get through the 'armee' American. I spent the Fourth at a large town near here—was very crowded and hot—spent most of the day sightseeing. It was just like being in America; every building had American flags intermixed with the tri-colors, and a great many people wore our flag. I was sitting in the public garden late in the afternoon when an old French gentleman, of truly genteel appearance, walked up to me and lifted his hat and gravely shook hands with me, saying in French, "I salute you, American soldier." That is the attitude of the majority of the people. I am writing this in the Y. M. C. A. while waiting for the Saturday night performance of amateur actors, etc. The phonograph is playing "Keep the Home Fires Burning." The night before the Fourth our mess-sergeant arranged a program for us. First we had half a dozen boxing bouts, then a battle royal between five husky negroes, then dinner was served. We had peas, creamed potatoes, lettuce salad, roast beef, cheese, pineapple, doughnuts, ice cream and cigars. During eats we had a band playing n the mess-hall. Afterwards we had a shirt-tail parade and snake-dance, headed by the band, playing "Hail, Hail, the Gang's All Here." Have been having some hot weather here, just like California special. About a request for a parcel; I appreciate it just the same, but it seems that but few of the things ever started reach here; so guess you will have to save it till later. Leaves me feeling fine. I am visiting one of my Rome fellows in a hospital near, who used to work for me.

July 21—The sky looks brighter than ever as the Allies are certainly giving the Jerries the deuce of a run up at the front now. So here is hoping that they stop in Berlin. I am still doing the same stunt of herding Jerries on some (————) here at the (————), the chance of doing it for a long time, too. If this region has anything on Bakersfield for heat, I should like to know what it is. The earth is absolutely pulversized into a light, dusty mssss, and as there has been no rain to amount to anythnig for weeks, it seems almost to hang in the heat. But at that we have nice work and nice barracks at one of the best camps, so why worry.

Guantanamo Bay, Cuba, Aug 8, '18.
Mr. W. E. Westland, Upland, Cal.

Dear Friend:—Don't think I don't appreciate the News because I am so slow in thanking you for it. The fact is it would seem more strange not to receive it than it does to have it arrive every week, for at home it always made its appearance regularly and now I look forward to its arrival as almost a matter of course. And don't take this to mean that I don't appreciate your sending it. Your thoughtfulness in mailing a copy to all in the service from Upland goes far towards keeping the "Blues" in the background.

My company has been in Cuba since December 24, 1917, and while our camp is comfortable and the scenery surrounding is beautiful, we are all beginning to feel a little disappointed that we haven't gotten "over there." Jim Goodban has left for the states and I am the only one left in the company from around Upland, although there are about ten fellows from Los Angeles. We never tire of talking "California" to the poor heathen that think the Eastern states are "God's Country."

The climate here is a great deal like California, warm in the day-time and cool at night, except for the tropic rain storms that show up every few days. The vegetation is, of course, most tropical. Two hundred yards from camp begins impenetrable jungle that stretches away for miles. Banana and Royal cocoanut palms are thickly dotted over little grass-grown hidden valleys while mangos and papias are found even in the camp itself. Many rare and valuable woods are all around the trails. Greenheart, ebony, sandalwood and mahogany abound in great quantities. Rare flowers, such as orchids, can be gathered by the armload. This section of the island is typically tropical. As for the towns—they ought to be cleaned out. Caimanera and Boqueron, our closest towns, are mere groups of shacks. Guantanamo City, a city of about 30,000, is located about 30 miles northeast and is well worth visiting. The architecture is of Spanish type, with long facades lining the streets. The dwelling houses have large windows covered with iron grills giving them the appearance of jails. The business houses have only three walls, the entire front being left open. And the streets—a California mountain road would be called a boulevard down here. It is probably for this reason that automobiles are so scarce. Old-fashoined victorias are still popular for travel and oxteams do most of the heavy hauling.

This sounds like a dry geography, doesn't it. It's hard to write an interesting letter about a place that you've tired of, though, especially when the censorship is rather strict.

I am enclosing a few pictures that may inteerst you. They give a little idea of what the country looks like.

Thanking you sincerely for the News and for the feeling that prompted you to send it, I am ,

Sincerely yours,
GIFFORD M. HARTLEY.
36 Co. 9th Reg., U. S. Marines, via New York.

August 13, 1918.

Mr. and Mrs. Perschbacher:—Arrived here safely after a wonderful trip. We were treated fine on our trip, dining car service and a berth, too. The whole route was through the prettiest country I have ever seen. After leaving San Francisco, where we had ten hours to investigate the city, we traveled through pine-covered mountains, as pretty almost as Camp Baldy regions all the way. Real rivers and thick forests, rare sights to me after being used to California washes.

Peabody of Ontario was the only one of the gang I knew, except one fellow from Los Angeles who had just spent his vacation at Camp Baldy. I can't remember his name.

When we marched into camp our troubles began. The favorite greeting is, "Look at the feet on him," or "Look at the ears on 'im," yelled at the top of the voice from every individual you pass and there are thousands of them here.

The camp is on the Columbia river among the tall, straight pines and spruce trees. It is a lovely sight to see thousands of white tents strung out as far in among the trees as you can see. The only bad feature of the landscape is the ever-present dark clouds which hang around. To one from Southern California it looks as if it would pour down any minute—but you soon get over that. It only rained about five times last week, light showers.

The whole camp is run on a strictly military basis. Drills, uniforms, rules and regulations are the same as any cantonment. The only difference is that we spend about eight hours every day after all other duties are done working at the big mill down on the river where the logs from the forests are cut into lumber and loaded onto the railroad cars.

Just what job one will receive or where in the country this job will be located is a deep secret which no one knows. Some may be sent to France but the majority will be under government control to work in that line which is most needed by the government.

Nothing here is easy—if any one complains about having to work too hard at Camp Baldy or that the pay is too small, just send him up here and the government when it gets him signed up will show him more good honest hard labor, which he

FONTANA LAND COMPANY

Notice of Special Stockholders' Meeting, for the Purpose of Acting upon the Proposition to Increase the Corporation's Bonded Indebtedness.

Notice hereby is given that pursuant to a resolution duly adopted by the board of directors of Fontana Land Company, at a special meeting of said board held on June 15th, 1918, at 10:00 A. M., a meeting of the stockholders of said Fontana Land Company has been called and will be held at the office of said corporation, in that certain building, known as "Fontana Packing House," situated on Block 17 in the Town of Fontana, County of San Bernardino, State of California, the same being the principal place of business of the corporation and the building where its board of directors usually meets, on Friday, August 23rd, 1918, at 10:00 A. M., for the purpose of considering and acting upon the proposition of increasing the bonded indebtedness of said corporation in the amount of two million dollars ($2,000,000.), thereby increasing the bonded indebtedness of said corporation from the amount of two million dollars ($2,000,000.) heretofore authorized of which there now is outstanding the amount of one million one hundred seventeen thousand eight hundred dollars ($1,117,800.), to the amount of four million dollars ($4,000,000.), for the purpose of providing for the payment of outstanding indebtedness of said corporation and for the further development, maintenance and improvement of the properties of said corporation, such increased bonded indebtedness so proposed to be authorized to be secured by a mortgage or deed of trust to such trustee and in such form and covering such property of said corporation, as hereafter may be determined by the stockholders of said corporation, or by the board of directors of said corporation in case said stockholders authorize such board of directors to select such trustees and to determine the form of such mortgage or deed of trust and the property of said corporation to be covered thereby.

By order of the board of directors.

Dated June 15th, 1918.

Secretary of Fontana Land Company. 6t16

NOTICE OF SALE OF PROPERTY DELINQUENT FOR NON-PAYMENT OF BOND ISSUED FOR THE IMPROVEMENT OF SAN ANTONIO AVENUE IN THE CITY OF UPLAND, CALIFORNIA.

Default having been made in the payment of the installment of the principal and interest of that certain street improvement bond hereinafter described which became due on the 2nd day of January, 1918;

And the holder of said bond having, on the 7th day of August, 1918, duly demanded in writing that the City Treasurer of the said City of Upland proceed to advertise and sell the lot or parcel mentioned in said bond and hereinafter described, to represent an assessment upon which said bond was issued for making certain improvements on San Antonio Avenue, in the City of Upland, pursuant to and under the provisions of Resolution of Intention No. 265 of the City of Upland and the said bond, or its unpaid remainder, with accrued interest, as expressed in said bond, having thereupon become due and payable immediately, and upon the day following, to-wit: the 8th day of August, 1918, having become delinquent, and the whole amount due on said bond not having been paid;

Now, therefore, notice is hereby given that I, O. E. Atwood, City Treasurer of the City of Upland, under and by virtue of the authority vested in me by law, will, on the sixth day of September, 1918, at the hour of 10 o'clock, a. m. of said day, sell at public auction the real property hereinafter described and mentioned in said bond, at the office of the said City Treasurer, 217 North Second Avenue, City of Upland, unless the amount due on said bond and the interest due thereon, together with the cost of publication of this notice, are paid, according to law; and that I will so sell the same to the person who will pay the amount of unpaid principal and interest due on said bond, together with the cost of publication of this notice; that the said sale will be made in accordance with and under the provisions of an Act of the Legislature of the State of California, entitled: "An act to provide for work in and upon streets, avenues, lanes, alleys, courts, places and sidewalks within municipalities, and upon property and rights of way owned by municipalities, and for establishing and changing the grades of any such streets, avenues, lanes, alleys, courts, places and sidewalks, and providing for the issuance and payment of street improvement bonds to represent certain assessments for the cost thereof and providing a method for the payment of such bonds, approved April 7, 1911, and Acts Amendatory thereof."

Street Improvement Bond Number 8, Series 6, Assessment Number 14, in the City of Upland, County of San Bernardino, State of California, for the sum of one hundred ninety-three and 92-100 dollars, ($193.92) bearing interest at the rate of 7 per cent per annum, issued for the improvement of San Antonio Avenue, in the City of Upland, from the center line of Tenth street to the center line of Twenty-third street, said bond is dated April 30, 1915, and is issued to represent the assessment upon the hereinafter described property mentioned in said bond for the street improvement above mentioned.

That the property mentioned in said bond, and to represent the assessment against which for said street improvement said bond was issued, is that certain parcel of land situate in the City of Upland, County of San Bernardino, State of California, more particularly described as follows, to-wit:

West one-half of Lot 366 of the Ontario Colony Lands as recorded in Map Book 11, Page 6, Records of San Bernardino County.

That the amount due on said bond is as follows:

Due on principal thereof, one hundred fifty-five and 14-100 dollars, ($155.14).

Due on account of interest accrued on said bond, ten and 18-100 dollars, ($10.18).

Total amount due on said bond, one hundred sixty-five and 32-100 dollars, ($165.32).

That the name of the owner of said property mentioned in said bond is Unknown.

Unless the amount of said bond as aforesaid, together with the cost of publication of this notice is paid, the real property mentioned in said bond, and hereinbefore described, will be sold at public auction, as aforesaid, on the 6th day of September, 1918, at the hour of 10 a. m. of said day, at the office of the undersigned, City Treasurer of the City of Upland, 217 North Second Avenue, said City.

This notice shall be published for two weeks in The Upland News, a newspaper of general circulation, published in the said City of Upland, which said newspaper is hereby designated by me as the newspaper in which this notice shall be published.

O. E. ATWOOD,
City Treasurer of the City of Upland.

Cucamonga District

Items of Interest as Gathered by a News Special Correspondent in Cucamonga, Alta Loma and Cucamonga South Side

Mr. and Mrs. Chas. W. Noble are expected out from Los Angeles for the week-end with their parents, Mr. and Mrs. W. J. Kincaid.

Harold Hudson was home for the week-end last week and shaking hands with old friends here.

Miss Mildred Rowe has accepted a position as bookkeeper at the San Antonio Growers association in Ontario. Miss Rowe has been the efficient bookkeeper and popular clerk at the Williams-Lucas company for some time past, who wish her the best of luck in her new position.

Miss Ella Gilroy was a dinner guest Sunday of Mr. and Mrs. Vincent G. Lucas. Miss Gilroy is the well-known chaperone of the Women's Land Army units at the Cucamonga school barracks.

Mr. Ross Kincaid, with his daughter, Miss Frances, of Los Angeles, were over-night guests Monday of Mr. Kincaid's brother, Supervisor W. J. Kincaid, and family.

G. N. Croswell journeyed in to Los Angeles Tuesday to return therefrom with a shiny new Hupmobile roadster. Nothing too good for the new arrival in the family.

Mrs. F. A. Lucas and daughter, Miss Mary, returned last week with Mr. Lucas from Balboa Beach, where the family have been summering.

Mrs. Theodore Krysto, of Big Bear Lake, is visiting at the home of Mrs. Alexandra Krysto, of Alta Loma.

Mrs. John Emery and little daughter, who have been living in the Garrard bungalow fo rthe past few months, expect to leave next week for their old home in Kansas. Mr. Emery will remain here for a time.

F. D. Wasson, our new Santa Fe agent, in all probability will be the next tenant in the Garrard bungalow on Eighth street.

F. B. Van Fleet and family are at home again after a pleasant vacation spent at Hermosa Beach.

Mrs. Herbert Powellson and son Jack were week-end visitors at the homes of Mr. and Mrs. W. C. Powellson and Mr. and Mrs. Chas. Beckley.

M. Brown, who has been in charge of the Sunday services at the Union Mission this summer, returned last week to Los Angeles, to resume his studies at the Los Angeles Bible Institute.

Mrs. W. J. Kincaid has received word that her daughter's husband, Watler Frank Keen, an attorney of Los Angeles, has passed the army examinations, and expects to be called to service on the next draft. Mrs. Keen was formerly Miss Frances Shumaker, of this place.

The many friends of Mrs. Nelson Croswell will be pleased to hear that she is poressing nicely at her home on Archibald avenue; also, the new baby, a lively 7½ pound youngster.

The new draft call will summon many of our young farmers and agriculturists, married men without children and single men who have not previously been physically disqualified.

A unit of twenty farmerettes arrived the first of the week from Los Angeles, lodging at the Cucamonga school barracks for a few days, until their tents were ready for them at Fontana, when they left for that place to pack grapes for the Arrowhead Vineyard company, under the management of Mr. Hamilton.

Mr. and Mrs. Dodge Mills, of Los Angeles, were Sunday visitors of Mr. and Mrs. W. L. Dana.

M. Hooper has arrived here from Imperial valley, and will be employed as engineer at the Cucamonga Vintage company.

Mrs. James Peterson was expected home Tuesday after a week's visit with relatives at Gardena and a trip to the beaches.

Mrs. Lottie Wheeler returned last week from a pleasant outing at Hermosa Beach.

Miss Mildred Roth visited last week at the home of her aunt, Mrs. H. L. Salisbury, returning Sunday to her new home in Ontario.

A happy group of farmerettes enjoyed Saturday evening taking in the sights at San Bernardino. On Sunday they hiked up Cucamonga canyon, enjoying the beautiful falls, returning home via Ontario. Sunday a week ago they hiked to Camp Baldy.

Mr. and Mrs. A. G. Markham returned last Friday from their two weeks' auto trip through the Yosemite valley. They report a delightful trip among these wonderful beauties of nature and the weather being much cooler, they enjoyed every moment of the trip.

Miss Madge Horst is at home again after taking a summer course at Berkeley in physical culture. Having made physical culture her profession, and filled with the spirit of service, Miss Rorst has offered her services to her country and has enlisted in the physical training department of the Nurses' Corps and now awaits the call to service.

Mrs Gilbert Dzie very delightfully entertained a number of her friends at bridge Tuesday afternoon at her home on Olive street.

Mrs. Chas. M. Harris left last Saturday afternoon, after a three weeks' visit here, for her ranch home near Tempe, Arizona, making the trip via the Southern Pacific.

Mr. and Mrs. H. L. Salisbury were dinner guests Sunday at the home of the latter's sister, Mrs. Franklin Roth, of Ontario. Her mother, Mrs. W. H. Converse, is visiting at the Ontario home.

Mr. and Mrs. Chas. Thorpe enjoyed the performance at the Upland Colonial Monday evening, seeing Virginia Pearson in "A Daughter of France."

Miss Mildred Milliken has completed her summer course of study at Berkeley and has returned to her summer home in Cucamonga.

A great airplane flying low over the South Side at 7:45 p. m. the evening of the farmerette Red Cross entertainment, caused quite some excitement and a good deal of "rubbering" when it buzzed loudly over the Cucamonga school barracks, many believing some distinguished guests were about to arrive in this up-to-date fashion in honor of the big event taking place that evening; but possibly it was just to catch a smile or two from the pretty armyettes down below, for the great airship sailed serenely on, finally seeming to change its course to the south and Riverside.

Mrs. Frances A. Frances, of Chicago, who has been visiting her daughter, Mrs. Albert L. Swift, of Alta Loma Rancho, but more recently making her home in Upland, has taken apartments at the Charlemagne in Ontario, for the winter.

G. P. Ledig of Amethyst avenue is planning to move to Upland, and O. W. Price, assistant zanjero of the Cucamonga Water company, will have charge of the Ledig grove and live on the place, it is said.

Last Monday afternoon, on the Santa Fe 3:30, from Los Angeles, the Cucamonga incoming mailbag met with disaster in a peculiar manner; the mail pouch not being thrown far enough to one side, was drawn underneath the wheels by the suction and literally ground to pieces. The sack contained principally second class mail, papers, etc.

A number of local people attended the union services last Sabbath evening at the Bethel Congregational church in Ontario and heard Dr. Toomay's sermon on "What of the Second Coming of Christ?" Dr. Toomay's personal indea is that it will be a long, long process before the world will be fit to receive the Christ at His second coming; that many changes will have to take place in the world and in the inhabitants of this world before this great event will be realized. That although we see many of the Bible prophecies being fulfilled, yet many of the prophecies of Revelations and Daniel, he claims, refer to the end of the great Roman age, and not to the end of the world age. All in all, it was a very instructive and enlightening discourse.

H. Parker, Santa Fe operator, left last Saturday morning for Olinda station, near Fullerton, where he will supply for a week or ten days.

Miss Campbell, the well-known and efficent cashier of the O. P. Whitney company ,intends to enter the Nurses' Training class at the San Antonio hospital the first of next month. Good luck to her!

Mr. and Mrs. J. W. McKee have their daughter, Marian, now Mrs. Jones, at home again. Mrs. Jones has been living in Pomona since her marriage a year ago, but now that her husband is called to the service of his country, has returned to the parental roof.

Mrs. Warren Hurd, of New Bedford, Mass., was a house guest last week of her friend, Mrs. Horace Parker.

Judge and Mrs. W. C. Belden and daugther, Miss Marian, passed a very enjoyable day Sunday at Balboa Beach.

Mr. and Mrs. Chas. F. Thorpe and daughters returned Monday from thir summer outing at Balboa Beach.

Rev. S. S. Chafe and Mrs. Chafe have gone to Alhambra, where they will visit for a time with an old friend, Rev. Mrs. E. J. Scudder. Their many friends sincerely hope the rest and change will prove of material benefit to Mr. Chafe, who has been in poor health for some time. Their son-in-law and daughter, Mr. and Mrs. A. C. Beattie, and children, have arrived from Whittier and have taken possession of the Chafe properties here.

Kincaid Boys in U. S. Navy

Howard Kincaid, youngest son of Supervisor W. J. Kincaid, is expected home from San Pedro for the week-end. Young Howard has but recently enlisted at the U. S. Submarine Base to serve for a period of four years. His brother, William Kincaid, who enlisted last January in the U. S. Navy, is now taking an eight weeks' course at the Naval Training School for Officers, located at Goat Island, San Francisco. The young man hopes to be granted a short furlough before long for a visit to home folks and friends here.

Local Red Cross Jublinat

The local Red Cross chapter since the tremendous success of the farmertettes' entertainment nad benefit of last Friday evening, have been in high glee, for the proceeds from the affair will go far towards taking care of the two boxes of expensive materials for the war work, just received. So every one is wearing a smile, and the workers at headquarters are now getting busy with the various and numerous articles to be made and the quantities of surgical dressings, etc., to be turned out as our allotment. At least twenty ladies worked busily Monday turning out the absorbent pads, while six or eight others worked on other materials. The chapter needs all the help they can possibly secure in order to complete their allotment on schedule time. So it is requested that every member give at least one afternoon a week to the work, or if impossible to work at headquarters, to take work home with them. The great war is calling for more and more effort on the part of the people at home, and the women must do their share.

Red Cross Benefit Big Success

The Women's Land Army scored a tremendous success last Friday evening at the Cucamonga South Side school barracks, where they staged their Red Cross benefit and auction, along with numerous entertaining side shows, and a splendid musical program If there is a soul that concealed a single doubt that Cucamonga was "on the map," so to speak, let him doubt no more, for we are right there in red, white and blue, and the patriotic farmerettes have helped to

Merry Dancing Party—

A group of young people from Upland and Ontario motored to "Ye Stuart Inn" on the Foothill boulevard on Tuesday night where they enjoyed a most delightful dancing party. Later supper was served. Those who enjoyed the evening from Upland were Miss Thelma Bradley, Miss Marjorie Long, and Messrs. Norman Hargroves, Emerson Spicer, Bruce Moore, Willard Griffith, Clyde Duncan, Frederick Maurer, Melvin Sikes. The other young folks present were Miss Velma Ray, Miss Verna Jacques, Miss Blanche Mallard, Miss Maria Cline, Miss Ola Blair, Miss Marcelle Richards, Miss Rowena LaPierre and Messrs. Bruce Barclay, Ira Boone, Leo Lucas, Allan O'Hara and Hubert Lucas.

Missionary Society Meets—

The Woman's Foreign Missionary society of the Mennonite church held their meeting last Thursday afternoon at the home of Mrs. Rudolp Baer on Tenth street and a good attendance was reported. Rev. M. M. Horsch opened the meeting with scripture reading and prayer, after which the ladies busily plied their needles making garments for native Christians on various mission fields. Before adjournment, Rev. Horsch closed the meeting again with scripture reading and prayer. Today this society is working for the Red Cross in the basement of the public library.

Jolly Swimming Party—

Miss Georgia Nelson, who with her mother, Mrs. Nelson, has been visiting Mr. and Mrs. R. C. Norton for several weeks and who left last Friday for Topeka, Kansas, was the guest of honor at a jolly swimming party given last week at Chaffey plunge by Miss Geraldine Norton. The other guests were Miss Hazel Rider, Miss Carroll Whipple, Miss Lena Leahy, Miss Elizabeth Reynolds and Miss Marion Maurer.

Mrs. E. H. Granger Entertains—

Mrs. E. H. Granger entertained most happily at dinner, a short time since, in honor of Miss Harriet Granger, who has gone back to San Francisco to enter the Red Cross nursing service at Letterman General Hospital at the Presidio, later expecting to go to France. Only relatives and intimate friends of the honoree were bidden. Miss Granger is a daughter of Mr. and Mrs. O. K. Granger, and is well known in Upland, where her home was prior to taking her training at the Children's hospital in San Francisco, from which she graduated last July.

Phil Wedel Married—

A wedding of more than ordinary interest to the younger set of Upland was the marriage of Philip H. Wedel and Miss Marion Holmes, a popular young woman of Ontario. The wedding took place at the home of the groom's parents, Mr. and Mrs. J. P. Wedel, on Twelfth street, on Saturday last. The bride, attired in a tailored suit of blue, was unattended. The color scheme of pink and green was beautifully carried out in the decorations. Rev. Horsch officiated.

The bride is the daughter of Jas. M. Holmes of Ontario, and has made her home in that city for some years.

Following a short wedding trip to Los Angeles, the young couple returned Monday to Upland, from where the newly enlisted sailor left for Mississippi. The bride will make her home in Ontario until the return of her sailor-husband.

The relatives present at the wedding were Mr. and Mrs. J. P. Wedel and children, Mr. and Mrs. H. C. Burkholder of Woodlake, Mr. and Mrs. B. J. Wedel and family of Porterville, Miss Ada Holmes, Mr. and Mrs. R. B. Kellar and family.

Mr. and Mrs. Hess Entertain—

Mr. and Mrs. Neil Hess entertained Saturday night at the home of Mr. and Mrs. G. W. Duley, Mr. Hess being home from San Pedro for the event. Progressive Sommerset was the entertainment of the evening and during the evening punch and wafers were served. Those present were Mr. and Mrs. A. D. Borden, Mr. and Mrs. Harry Cavers, Mr. and Mrs. Earl Hawthorne, Mr. and Mrs. Harold Stickney, Mr. and Mrs. Ray Cromer, Mrs. Earl Hess, Mrs. Sylvia Williams, Miss Iva Goodban, Miss Gladys Riley, Miss Ruby Moser, Miss Agnes Davis, Miss Hazel Wright, Miss Elizabeth Harris, Miss Ardis Bradley, Miss Maude Colborn, Cleo Moser, David Bradfield, George Stickney, Lorne Handley. Stereopticon views of the crowd were taken in snapshots.

15,000 MARK REACHED

With the fifteen thousand member mark reached ,the Automobile Club of Southern California is now more than twice the size of any similar organization in the world and offers the most complete service to motorists that can be secured. With a branch office and information bureau system that covers all of Southern California and a signposting and map system that penetrates far into the East, the club's activities have really become of national interest.

S. G. BERGER

Ontario, County Auditor, Who Will Get Four Years More Next Tuesday.

From the San Bernardino Sun:

"Two elements must be taken into account in the selection of county officers, and while there may be differences of opinion as to the application of one of them, geography is to be considered, although it ought to be made second to qualifications and ability of candidates.

"By which we mean to observe that while we could wish that every San Bernardino candidate for office might be successful, San Bernardino is not all of the county, and therefore must not ask for nor expect all of the "pie" in the distribution of county offices.

"We are to vote for 10 officers at the primary—some of them as the heads of consolidated offices, but there are 10 to be selected, and San Bernardino has one or more candidates for nine of the places, which leads us back to the conclusion stated above that, whether we will or no, geography must be taken into account.

"County Auditor S. G. Berger comes from Ontario, and for four years he has kept tab on the intricate and extensive financial affairs of the county in a manner that has brought only commendation to his office when ti has been a subject for inspection by state accountants or grand jury committees. The auditor's office is really the clearing house for the county. There every item of outlay and expense must be finally checked. The auditor has the "last guess" at every claim, and the responsibility is therefore commensurate with the fact that the county is spending more than a million dollars every year, and every item of that expenditure must be scrutinized by this office.

"Mr. Berger has done that successfully. He is likewise courteous and an ideal official when it comes to dealing with the public, and his administraton has been of such a character as to call for consideration at the hands of the voters when they are to select an incumbent for another four years.

"The Sun, therefore, commends the work of Auditor Berger."

Authorized Announcement

TO THE VOTERS OF UPLAND AND VICINITY

I am a candidate for the office of County Highway Commissioner at the coming primaries. This office directs the annual expenditure of more than two hundred thousand dollars of County money, for the construction, maintenance and repairs of all roads and bridges in the County.

During the term I have occupied this office I have endeavored to expend the money allotted to the work economically and efficiently.

I am unable to see personally but a few of the twenty-five thousand voters in this County, but if on inquiry you find that I have made good, I will appreciate your vote of approval at the primaries on August 27th.

Walter A. Shay Would Be a "Real Sheriff" if Elected to That Office

Call for the election of a sheriff who will be a real sheriff is going up and down the county, and Walter A. Shay has been selected by citizens in many communities of the county as the man they are urging for the place.

Mr. Shay has had the experience as an officer that qualifies him for the description of a "sheriff who will be a real sheriff."

Eight years of his experience as an officer was as the head of the police department of San Bernardino city, one term as marshal and three terms as chief of police.

And he was chief of police under Mayors H. M. Barton, S. W. McNabb and George H. Wixom. Each of these elections was on a moral reform issue in which the enforcement of the law was the demand of the campaign. Gambling was the first big issue in the series of reforms in which Mr. Shay played a part.

Previously Mr. Shay had served for four years as deputy sheriff, and during other times in his work as an officer he was for two years with the old Traction company and four years with the Arizona division of the Santa Fe.

During his many years' experience as an officer, Mr. Shay played a leading part or a big part in some of the most noted criminal cases.

While with the Santa Fe Mr. Shay's ability as an officer was displayed in the Sunset-Wells Fargo robbery when $20,000 was stolen. In a week's time the two men who stole the $20,000 were in jail and the entire amount of the loot was recovered.

Mr. Shay's reputation over the county is that of a fearless officer, one who would make a sheriff that would give the taxpayers in all parts of the county the protection for which they pay taxes. That robbery after robbery would not go unattended to and murderer after murderer escape, if Mr. Shay was sheriff, is declared by the active men and women who are supporting him for office.

"Should I be honored with the office of sheriff," said Mr. Shay, "every law of the state and of the county would be enforced to the best of my ability. My deputies would be experienced and capable officers.

"The enforcement of the prohibition ordinance of the county would be one of the important tasks of my office.

"I believe that in periods when crime is at a low ebb retrenchments should be made in the expense of the sheriff's office, and would so recommend to the supervisors.

"The people in rural communities would be given protection. Wrecking and robbing of pumping plants, of mining machinery, would be given close attention. All the people in the county, cities included, pay the taxes that operate the sheriff's department. All the people are entitled to call on the sheriff when the law is violated, and receive prompt assistance. By assistance I do not mean that all an officer has to do is to go out and look over the scene of a robbery. In successful campaigns to recover stolen property and detect thieves, it is necessary to keep continuously digging for weeks and months.

"The same is true of murder cases. Just because a murderer is not caught in a day or two days or a week, the matter should not be forgotten. It is necessary to keep digging on these cases, particularly Mexican murders, for months.

"I would attempt to break up the systematic robbing of chicken houses. This can be stopped if properly handled, for it is the work of automobile crews who travel in the night."

LOCAL NEWS

Earle Kendrick Swan is his name and Grandpa West is firm in the opinion that there never was such a lad. Papa Swan's assistant, Harold Youngstrom, was adjusting some pictures during the drying process, outside the gallery, the other day, and it so happened he had his back to the sidewalk. A voice from the walk greeted him, "Young man, I want to congratulate you on the coming of that boy." As Youngstrom turned about the mistake was apparent, apologies made and everything was lovely.

For patriotic reasons we have cut our German services down to two preaching services a month generally and prayer meeting every other week. Those people among us who are unable to receive any benefit of purely English services dearly love our country and do all they can to help our country and our government. We regard this also our patriotic duty, not entirely to cut these dear people off from public spiritual comfort and consolation, so necessary in these soul-trying times. In this we feel that we are not misunderstood by our fellow citizens and highly appreciate their forbearance and friendliness.

Etiwanda

Happenings Here and There Gathered by a News Special Representative in and About the Famous Etiwanda Colony

Rev. and Mrs. C. W. Greenlee and children picnicked all day Friday in Lytle creek, it being their wedding anniversary. In the evening they were joined by Mr. and Mrs. Thomas Donnelly and son, Mr. and Mrs. Charles Donnelly and Mr. and Mrs. Fred Koch and children who carried up an excellent supper for the occasion.

The annual picnic of the employees of the Pacific Electric company and their families, which is to be held at Redondo Beach next Saturday, is of interest this year to four Etiwanda families besides the John Thallmans, who moved to Los Angeles when he began work for the company. Ralph Cour is now night man at the Etiwanda station while A. C. Smith is in charge of the power plant at San Bernardino on the night shift. The Cour and Smith families and Mr. and Mrs. D. W. Layne and son and Mr. and Mrs. H. A. Stineberg are planning to spend the day at the beach.

Mr. and Mrs. John Scott and family took a picnic dinner to Ontario after church Sunday and spent the remainder of the day with Mrs. Scott's father, Mr. J. T. Morris, who is baching while Mrs. Morris is visiting in the East.

Some of the Etiwanda boys gave a social dance at Cypress hall on Saturday evening, giving what they made over and above expenses to the local branch of the Red Cross. Music was furnished from San Bernardino and refreshments of coffee and doughnuts were also a feature. A large crowd attended and $9.15 was netted on admissions while a rug that was raffled off at ten cents a chance brought in another five. Mrs. Frank Stephens held the lucky number when little Eleanor Frost did the drawing.

The boys of the T. H. club went to East canyon picnicking on Friday. They had a long, interesting hike up the canyon and enjoyed the contents of their luncheon kits at noon. Some of the boys had the pleasure of helping plant trout in the streams in East and West canyons before coming home. Donald and Elmer Mueller, Gordon and Alexander Allen, Rudolph Hoppe, Ralph Price, Morris Frost and Curtis Smith were those who could make the trip.

Miss Lida Kemp writes from Santa Barbara that she is enjoying her work there very much. The term ends in about three weeks, when she expects to make a few days' stay in Etiwanda before moving to Fontana where she is elected principal of the Fontana school. Her cousin, Miss Jeanette Stattler, of Portland, Ore., who is attending school with Miss Kemp, plans at present to return with her for a visit here at the M. R. Kemps'.

Mrs. A. A. Werner led an interesting session of Christian Endeavor on Sunday evening. The topic was "Using our Pens for Christ." The leader read two letters from Life showing how to write and how not to write a letter to the boys at the front. Her talk was of interest to all and a solo by Miss Katherine Jones was greatly appreciated. There will be special music at Christian Endeavor meetings all of this month. Every one is cordially invited to attend.

Misses Margaret and Marjorie Wood came home Friday from a visit with friends in Long Beach.

Messrs. E. G. Rader and L. H. Tilden left Friday for Portland, Oregon, where they will attend the national G. A. R. encampment being held there. Mr. Rader will visit en route with his daughter, Mrs. Harvey Brubaker, of Oakland, Cal.

Mrs. Eva R. Fisher has been appointed by the food administration to look after the needs of the fruit canners in Etiwanda. Sugar permits must be secured through Mrs. Fisher. A more capable person for the work required would be hard to find.

The home canneries in Etiwanda are all working to capacity the last ten days, as the peach, nectarine, plum, pear and fig season is now on. Mr. and Mrs. Glen Shepherd and Mr. and Mrs. Alfred Utman came down last week from Lytle creek, where they have been camping as much as possible this summer, and are looking after their fruit in Etiwanda.

Mr. A. C. Winkler and daughter Helen came over from Cucamonga Wednesday for a visit with Mr. and Mrs. Fred Koch and family. Miss Winkler remained for a few days before going on to San Bernardino.

Mr. and Mrs. Andrew Ingvaldsen have been spending a week in Big Bear valley.

Pauline Tilden visited last week in the home of her aunt, Mrs. G. E. Frost.

Mr. Harry Burbank, who is driving a truck in France, writes to his family here that he has been promoted to the rank of corporal.

Mr. and Mrs. W. E. E. Layton and daughters motored to Covina Sunday for the day at the home of Mrs. Layton's brother, Mr. J. R. Saddler. Miss Ethel Bilyeu remained for a week at the Saddler home.

Mrs. Mamie Cour and daughter Dorothy went to Ontario Thursday and spent the day visiting Mrs. R. M. Piety and children.

Howrd Frost andvbgkqcjmfwypg

Howard Frost, who is working in San Bernardino, came home for the week-end.

Mr. and Mrs. Charles N. Frost and children spent Sunday here with Mr. and Mrs. George Frost.

Mrs. Leila Buckham, who has been camping at Seeley Flats, came down Staurday expecting to spend the week-end with her sister, Mrs. T. M. Neece. Finding that Mrs. Neece was herself enjoying a vacation in Long Beach, Mrs. Buckham spent a pleasant time at the home of Mr. and Mrs. George E. Utman.

Mr. and Mrs. Don Henderson entertained Mr. and Mrs. Hilton Warren of Bakersfield for the week-end.

Frances and Dorothy Spence entertained their friend, Miss Esther Goodwin of San Bernardino over Sunday.

Mr. and Mrs. William McClean, Louella and Katherine, spent Thursday evening at the home of Mr. and Mrs. E. T. Myers, where they were entertained at dinner.

Mr. and Mrs. Fred Koch and children visited in Upland at the J. C. Thompson home Sunday.

Miss Katherine Jones is spending the week at Forest Home with her friends, Miss Sarah Atsat. Miss Atsat came out last week from Los Angeles and spent the week-end at the Jones home here.

Mrs. Mary C. Burbank and family enjoyed a visit Sunday from Mr. and Mrs. W. S. Romick and Miss Minnie Romick, Mrs. Ellsabeth Soper and Miss Mary Soper of La Verne. The party motored over to bring home Lester Burbank who had been spending a week in La Verne in the W. S. Romick home.

Mr. and Mrs. J. D. Orendorff and son Perry went to Los Angeles Friday taking with them Mrs. Orendorff's sister, Miss Rosetta Rupe, who was starting for Maricopa where she will teach again this winter. Miss Rupe has been spending her vacation here with her mother, Mrs. Rosetta Rupe.

Mr. and Mrs. G. N. Fetrow and Mr. and Mrs. Fred Burger drove to Pomona Sunday where they were dinner guests at the home of Mr. and Mrs. Charles Phegley.

Mr. T. G. Liddle left Wednesday for Sawtelle after spending a short visit with his son, Robert Liddle and his daughter, Mrs. Wm. Troyer.

Mr. Henry Allen and Mr. Wm. Hoppe went with Game Warden Malone to help in planting some 20,000 fish in three of the Etiwanda canyons on Friday. The work was not finished as they could not get enough help on that day. Mr. Fred Gilbert took a burro up to one of the canyons on Saturday with his auto and then used the burro to transport the fish up stream. On Sunday Messrs. Henry Allen, John Frost, Grover Henderson and Fred Henderson were out again in the same cause. The trout were placed in East and West and Banbury canyons.

Miss Margaret Cooper, who taught the intermediate grades in Etiwanda for two years and who has since taught the lower grades of the Los Olivos school, writes that she is to teach this year in the school in an adjoining district and will live at home. Her health is still far from good.

Sergeant Frank Davis has written from New York that they were being equipped for going overseas and Mr. Allen thinks that in all probability they are on the way before now.

Clyde Greenlee, Jr., is spending ten days in Los Angeles at the home of his grandmother, Mrs. Hannah M. Greenlee.

Mrs. Herbert Price, who has been spending several weeks in San Diego to be near her husband, and later to visit a cousin, returned to Etiwanda last week and is makng her home with Mr. and Mrs. O. H. Price.

The Etiwanda school will begin on September 16 this year.

Mrs. T. M. Neece and children returned Monday evening from Long Beach, where they spent ten days visiting with Mr. Neece and Mr. and Mrs. Albert Kohlen and family. Mrs. Neece is planning to move to Victorville about a week before school begins at that place.

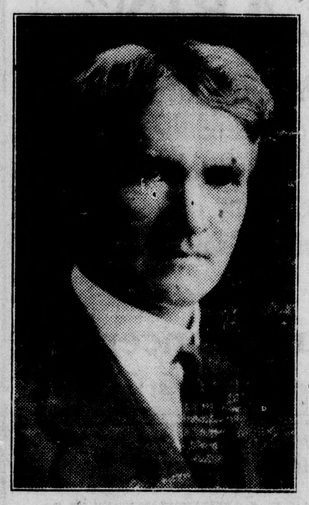
Authorized Announcement

T. W. DUCKWORTH

Candidate for District Attorney of San Bernardino Co.

Mr. Duckworth, the subject of this sketch, was appointed, under the provisions of the county charter as they then existed, by the board of supervisors, to the office of district attorney, in January, 1915. That office under an amendment to the charter has become elective, and Mr. Duckworth now seeks the nomination as a candidate to that office, at



the August primary election. He has served the people for the past three and a half years; he does not therefore have to ask the people to pin their faith upon promises as to what he will do, if elected, but places himself squarely upon his record as to what in fact he has done. without fear or favor he has prosecuted all offenders of the law—whether it was a violation of statutory laws from murder to red-light abatement act—or the county ordinance prohibiting the illicit liquor traffic; they all looked alike to him, and were dealt with in an uncompromising manner.

To effectuate a successful campaign against the illicit liquor traffic he drafted an ordinance and secured its passage by the board of supervisors that gave jurisdiction of its violation to the superior court. This was a piece of advanced legislation. Prior to its adoption the justice court alone had jurisdiction in such matters. Being the first ordinance of its kind in the state lawyers defending violators thereof vigorously attacked its constitutionality. The highest courts in the state sustained Mr. Duckworth. So successful has been this ordinance in cleaning out the blind-piggers and bootleggers throughout the county that it has become a precedent through the state—many counties having followed in the wake of Mr. Duckworth and adopted similar ordinances.

No greater enconium could be pronounced upon a public official than to be found in the late grand jury's report on this office, from which is taken the following:

"The work of this office is well organized and well administered, and proper records of the work are accessible to the public. Pursuant to a special request inquiries were made as to the expenditures of the 'detection of crime' fund, placed at the disposal of the district attorney by the county supervisors and used principally in the detection of illegal sales of liquor within the county. A careful record of these expenditures is kept and the amount expended has been more than offset by the amount collected in fines for convictions of violations of the liquor laws. The jury believes, however, that even if there was no reimbursement of county funds in the way of fines, that the expenditures to abolish 'blind pigs' and stop 'bootlegging' of liquor, are justified and that the district attorney's office is to be commended for the spirit with which this campaign has been conducted and the success that it has achieved.

"The district attorney and his deputies have appeared before the grand jury when requested and have given information and advice, and when desired, written opinions, upon matters under consideration. They have granted every request of the jury that they believe consistent with the law."

ETIWANDA NEWS

(Continued from Page 6)

On Friday afternoon there will be a knitting exhibit at the Red Cross room, all the work that has been done in the past six weeks is to be shown before it is turned in at San Bernardino.

Rev. C. W. Greenlee was called to Rincon Tuesday morning by a telephone message announcing the death of Mr. R. G. West, who was drowned Monday at Newport Beach. Mr. West has visited Etiwanda and was well liked by the acquaintances he had made. His daughter, Winifred West, is a friend of a number of the young people here, who became acquainted with her at Chaffey Union high school where she has been a student, and who will sympathize with her in her sorrow.

Grape shipping season started this week in Etiwanda when the buyer of the O. H. Price and Fred Gilbert grapes began shipping on the Pacific Electric.

Mrs. George McGuire and son Olin, of Maricopa, are spending a couple of weeks in the south visiting her parents, Mr. and Mrs. James Isle, in Etiwanda, and her sister, Mrs. Nye, of Artesia.

Putnam Perdew, Jr., has been in a hospital in San Bernardino the past week where he underwent an operation to fit himself for enlistment in the service.

Mr. and Mrs. Fred Gilbert are having their residence on the Canyon Springs ranch remodeled.

Mr. J. C. Jones left Saturday for San Diego for a few days there.

Mrs. Charles Wood and daughters, Ruth and Florence, left Tuesday for Long Beach where they will spend two weeks visiting friends.

But I am not kicking. I like it. It sure makes one enjoy his "chow," and when he hits his hay bunk there is no question about going to sleep.

There are men here from every section in the U. S. Every man claims he is from the best place in the world. But I know of a place which has them all trimmed and that is Camp Baldy, which I call home and I sure would like to be there—except for those reasons that I have for wanting to be here—and soon when the boys get Bill Kaiser I'm going to spend a spell at camp again. Give my best regards to any who know me—including "Queenie."

Sincerely yours,

(Continued from Page 3)

place us there. The entire community, with hundreds of visitors from our neighboring cities and as far away as Los Angeles, helped to swell the receipts of the evening's entertainment, which to date is announced as around $242, with the army-ettes busy bringing the amount up to an even $250. The expense of ice cream to come out of this. The army is jubilant over the unprecedented success of their efforts and declare the people of Cucamonga and vicinity are the most appreciative, many of the merchants contributing most liberally with donations toward the auction sale, with Miss Alma Krause as a most amusing auctioneer, who was right there with the goods and proved a winner, keeping the crowd in a roar of laughter. A hand-painted hat fell to the lot of W. H. Rupp, a fine kodak to W. E. Pyle, five pounds of bacon to Nathan Emery, boy's shirt to John Whitson, boxes of candy, thermos bottle, pipes, tobacco, etc., netting in all over $21.

The affair was staged in the great out-doors ,in the school patio, under the tSars and Stripes, and the service flag, with an effective stage background of foliage and bamboo, with a great Red Cross in scarlet geraniums. Forty fair farmerettes in full uniform arranged and presented the following program:

Orchestra, Spanish boys.

Recitation, "Statute of Liberty."

Song, "Vale of Dreams," Miss Irma Jacobs.

Recitations, Miss Edythe Simpson.

Banjo Duets, Mr. Credelle and Mr. Frank Credelle.

Interpretative dance, by "Baby of the Unit," Miss Loraine Dagley.

Piano Solo, Miss Lucille Thorsen (also announcer).

Songs of the Allies. In native costumes and native dialect (Belgium, Italy, France, England, and U. S. A.), Miss Dorothy Duke.

Piano and Drum duets, representing an entire orchestra accompaniment.

The side shows, especially the trained pony "Frank," presented in the auditorium by its trainer, Mrs. Mabel Barrymore and company of the Pantages circuit, attracted large crowds and the dimes and quarters fairly rolled in to the treasury. Fortune tells, shoes shined 10c, the ground hog mystery (ground sausage), the swimming match in the basement (matches in water), all contributed to the fun, as did also the figure "Swat the Kaiser." Ice cream and cake were served for 15c in teh cafeteria building, and a cake sale presided over by Miss Mary Sheehan, swelled the proceeds to the tune of $30. The Mabel Barrymore company freely gave their talent, with that of the pony, as entertainers for the Red Cross, which desires to thank them and all others participating in the success of the entertainment. The Spanish Boys' orchestra which favored with selections during refreshments, deserve special thanks, also. All in all, it was a most glorious success and the local Red Cross extend their thanks and appreciation to the loyal and patriotic farmerettes.

Mabel Barrymore and company, with the famous pony, are enjoying a siege of rest from their arduous stage duties on the Pantages circut, and are rusticating at the Hamilton ranch ,on the Arrowhead vineyard acreage, Fontana.

Mrs. Arthur De Berard has for a house guest her cousin, Miss Susie Bryan, of Marshall, Texas, who is making a lengthy visit to her California relatives. Many nice trips have been planned in her honor. Last Sunday a jolly party consisting of W. H. De Berard, Mr. and Mrs. Harry De Berard and son Gene, Mr. and Mrs. Arthur De Berard and Miss Bryan motored to Venice and Ocean Park for the day.

The picking of the big crop of Thompson seedless grapes on the De Berard vineyards commenced Wednesday morning, grapes being delivered to the Golden State cannery for packing, a new industry in this community.

JOHN H. OSBORN IS CANDIDATE FOR COUNTY TREASURER

John H. Osborn of San Bernardino, candidate for county treasurer, who has received the highest endorsement for the position.

Strong support is being given all over San Bernardino county to John H. Osborn, candidate for county treasurer.

Experienced in auditing and clerical work, Osborn would make an ideal county treasurer.

Friends who are working in his behalf in various sections of the county report that his candidacy is being well received by the people and that his election as county treasurer on August 27 is assured.

Perhaps one of the highest endorsements given Osborn is that by P. J. Dubbell, the expert accountant, who has for years audited books for municipalities, counties, corporations and private firms and individuals.

Expert Dubbell declares that Osborn would make an ideal county treasurer, that he possesses all the qualifications necessary to fill the office to the satisfaction of the taxpayers and that he is the candidate entitled to the support of the voters on August 27.

For several years Osborn has been city clerk of San Bernardino and in that capacity has obtained a general knowledge of county affairs that will, with his experience as an auditor and clerical expert, prove of additional value in the office of county treasurer.

Being a native of San Bernardino county, Osborn has a wide knowledge of the county and its varied interests and resources. His acquaintance is general all over the county and his many friends will remember him on election day as the one candidate having the ability to honestly and efficiently fill the office of county treasurer.

"Uncle Tom's Cabin" resulted in the freeing of slaves in this country. It was Abraham Lincoln who expressed the opinion to Mrs. Harriet Beecher Stowe that her book, "Uncle Tom's Cabin," published in 1852, brought on the Civil War. It certainly caused such a commotion as eventually resulted in the abolition of slavery in this country.

THE JOLLY OLD FOLKS' PICNIC

There are in Southern California a great many people who were born over seventy years ago. These people are not old in spirit, and so they like to meet together for a picnic reunion as well as the younger folks. So if you are over seventy, this is your invitation for yourself and all your friends past that age to attend the annual picnic reunion of all the people in Southern California who are past seventy years.

This picnic will be held in Sycamore Grove, Los Angeles, Saturday, September 7, 1918. It is an all-day picnic, with a basket dinner at noon

NEW STATE DAIRY LAW IS EXPLAINED BY OFFICIAL

Two bills relating to the production and sale of milk and cream were pessed by the last legislature and signed by Governor Stephens on the 27th of May and the 1st of June of this year. These laws are passed for the protection of the milk producer so that milk and cream of an inferior quality shall not be mixed with the good and thereby lower the commercial value of the entire product.

The following is synopsis of the dairy laws affecting those who produce milk or cream to be sold to the creameries, cheese factories, condensaries or milk plants:

The drinking water, water trough, and other watering places where cows drink must be clean; the corrals and yards adjoining the milkhouse and milking barn must be kept clean and no manure or filth allowed to accumulate within 50 feet of the milking place nor within 100 feet of the milkhouse. The milkhouse and milking barn must be disinfected at least once in two years by whitewashing or painting the interior of the same. Where the disinfecting has not been roperly done or where the walls are soiled the inspector may order disinfecting at once. The separator, pans, coolers, cans and other utensils which come in contact with the milk must be washed and sterilized each time they have been used. The sterilization of the utensils must be done by exposing them to steam under pressure until they have been heated to a temperature of 212 degrees Fahrenheit, or by submerging them for a few minutes in water which is actually boiling. The milking suits of the milkers and wearing apparel of the person handling the milk or cream must be clean. The milk or cream must be cooled to as low a temperature as is practicable within one hour after cows are milked. Where no ice is at hand with which to surround the cans the only practicable way of cooling cream it to run it in a thin sheet over a cooler through which cold water is running. It should be kept in burlap cooler until delivered or collected. The cream must be separated from the milk immediately after milking. If this cannot be done then the milk must be cooled immediately after milking. Cream when delivered must be fresh, pure, and clean.

More than 800 penalties for violation of rules and regulations governing licensed dealers in foodstuffs have been imposed during the past ten months by the food administration. About 150 companies and individuals have been ordered to quit business in licensed commodities for a limited or unlimited period, and over 500 have voluntarily made a money payment, usually to the Red Cross, or have temporarily abstained from doing business rather than risk calling down more drastic penalties.

Candidate for the Office of

REPRESENTATIVE IN CONGRESS

ELEVENTH DISTRICT

Primary Election August 27th, 1918

REPUBLICAN ENDORSEMENT

(Editorial from the Riverside Daily Press, E. P. Clarke, Editor.)

CONGRESSIONAL SITUATION

The registered Republicans in this congressional district are confronted with an unusual problem in the coming primary election. When they are handed their ballots they will find that no Republican is aspiring to the honor of being the nominee of that party. Mrs. Stella B. Irvine, a registered Prohibitionist, and William Kettner, Democrat and incumbent, both ask for the Republican nomination, and the Republicans must choose between them.

There will be some prejudice against Mrs. Irvine because she is a woman, but that ought not to be a large factor in the situation in California. We have become accustomed in this state to seeing women filling all sorts of administrative positions with signal ability and efficiency and it is only a step farther to elect a woman to congress. Montana set the pace by electing Miss Rankin and may promote her to the senate in the coming election. Women are bound to take their place in the halls of the legislatures of the country and to be promoted to the still higher legislative positions in congress; and we might as well accept the situation and make up our minds to disregard the sex question.

From the standpoint of the Republicans there are certain phases of Mrs. Irvine's candidacy which are entitled to careful consideration. She is in hearty sympathy with the economic program of the Republican party, and more than that, if she is elected will affiliate with the Republican organization in the house. The present house is exceedingly close and the next one will be in much the same situation, according to the present outlook. It is not at all impossible that one vote may decide whether the Republicans or Democrats control the organization, elect the speaker and name the committees. Mrs. Irvine's vote would be cast for a Republican speaker and in all matters of organization she would work with that party. Mr. Kettner is a Democrat and does not claim to be anything else. He will program with the Democarts in the house, no matter what the line-up is.

The Press is not going to indulge in any attacks on Mr. Kettner, but it submits to the consideration of its Republican readers the fact that Mrs. Irvine is a highly capable woman, a loyal supporter of the war, and that she is definitely pledged to stand with the Republicans in the organization of the house. A vote for her is a vote to promote the interests of the Republican party in congress; a vote for Mr. Kettner is a vote to continue and strengthen the present Democratic control of affairs at Washington. If as Republicans they are well satisfied with the Democratic administration, they will naturally vote for Mr. Kettner as the Republican nominee; if they want to see the foundation laid for a change in the national administration in 1920, one of the effective ways to accomplish it is to vote for Mrs. Irvine. 15t1

To the Voters of the 2d Dist.:

In my term of office as Supervisor for the Second District, my best efforts have been given constantly for the interests of the people of the county. During this time the particular interests of this district have had my thought and careful attention. In the appointment of officials of the county, this district has had its quota. Since entering on my duties on the Board of Supervisors the following improvements and betterments have been carried out in this district:

Upland: 1½ miles on 10th Street and 1½ miles on Mountain Avenue.

Ontario: One-half mile on East A Street; One-half mile on Ontario Boulevard and 1½ miles on South Euclid Avenue.

Rialto: 1½ miles on 4th Street (Foothill Boulevard).

Construction of Lytle Creek canyon road.

Appropriation has been made toward assisting in the permanent improvement of Turner Avenue, Cucamonga.

I was able to assist the City of Upland to save $800.00 in the purchase of material for its improvement of one-half mile on 12th Street.

Storm protection works were installed in San Antonio wash near 10th Street, and in Lytle Creek wash, on Highland Avenue.

I have ever kept in mind the need for economy in public expenditures and have endeavored to look toward the future in planning for improvements. The conditions brought about by the Great War in which we are now engaged call for careful husbanding of resources and discreet employment of funds. I stand on my record in the term now closing, and am a candidate for nomination at the August primary. My record is open; you may judge of my ability to properly represent you, by what I have done in your interests in the past.

Sincerely yours,

W. J. KINCAID.
